The plan covers the essential elements of the funeral provided by the Avalon Appointed Funeral Director as detailed in these Terms and Conditions and described on the Plan Certificate. You secure these products and services at the price agreed today and if these services increase in the future, your plan secures them at no extra cost to you or your representatives

providing the funeral is carried out by an Avalon Appointed Funeral Director. Any services not mentioned in this plan may incur a charge at time of need if your representatives request them.

### 3.2 Disbursement contribution

#### Cyprus

If your funeral takes place in Cyprus, the disbursements costs for a burial are included in your plan.

#### UK

The cost of the Standard Plan (Cyprus) includes a contribution of up to a maximum of £1200 towards particular disbursement costs (third-party fees). This amount is specifically designated to cover or contribute towards certain third-party fees associated with the funeral, that are not covered by the services provided by the Avalon Appointed Funeral Director.

The specific disbursement fees contributed towards include:

- Crematorium fee for cremations
- Cemetery fee, which covers the preparation, opening, and closing of an existing burial plot.
- Doctor's fee for providing the medical certificate (required for cremation in England, Wales, and Northern Ireland)
- Fee for the Minister or Celebrant who performs the funeral service on the day of the funeral.

The maximum contributed amount included in the Standard Plan (Cyprus) increases annually in line with the Consumer Price Index (CPI) on the 1st of July, regardless of when the plan was purchased. This adjustment helps account for inflation of these disbursement fees over time.

If the contributed amount does not cover the full cost of these fees, any remaining amount will need to be paid to Avalon or the Funeral Director, depending on who issues the payment request.

If the total cost of the listed disbursements is less than the maximum contribution amount at the time of need, we do not refund any amounts that are not used, and it cannot be used for items not listed above.

### 3.3 Additional extras and contributions

You cannot add anything to this plan.

### 3.4 Special requests

The Standard Funeral Plan (Cyprus) does not allow you to make any special requests for your funeral.

## 4. The Price of a Funeral

The Standard Funeral Plan (Cyprus) is priced at €4250. When you purchase an Avalon funeral plan, you lock in this price with us. It's important to note that we don't typically expect you to use the plan immediately. However, if you do require a funeral right away, the cost of this plan is comparable to the current average price of a funeral if you were to arrange it directly at the time of need.

At the time of sale, Avalon assigns your plan to a specific Funeral Director(s) and has negotiated a contractual price for the various costs involved in providing your funeral. These Funeral Director costs vary depending on factors like region and plan type, but for this particular type of plan, the approximate Funeral Director cost is €2,750\* plus an annual adjustment to account for inflation, based on today's prices.

Unlike the fixed plan price you pay, the "at need" price for a funeral today is likely to increase each year due to inflation until the time you actually require the funeral. The contracted costs to Avalon are adjusted for inflation annually to reflect the expected future changing prices in the industry.

Plan Name	Today's price	Today's approximate Funeral Director Cost*
Standard Funeral Plan (Cyprus)	€4,250	€2,750 + annual uplift for inflation

\*Rounded up to the nearest €50

## 7. Dual Certification

The primary purpose of your Standard Funeral Plan (Cyprus) is to provide the services listed on your funeral plan certificate from an Avalon Appointed Funeral Director in Cyprus.

Dual Certification allows you to nominate an address in the UK, Spain, or Portugal where Avalon can appoint a local Funeral Director to deliver the services listed on the plan certificate. It should be noted that the services differ from Cyprus to account for local customs and prices.

This means that a plan holder who lives or spends part of their time living in two countries of the UK, Portugal, Spain and Cyprus can have a funeral in either location, depending on where they die.

As long as you can receive post at the second address, we can add dual certification for you. The Avalon Appointed Funeral Director will be allocated within the locality of the address you provide us; if at the time of need we need to change the Avalon Appointed Funeral Director, there may be additional charges.

This option is available to you if you already have a home in the UK, Spain, or Portugal or if you move to one of those countries after the plan is purchased.

Remember to let us know about your second address, or if you emigrate, so we can update your address and appoint a new Funeral Director to conduct the funeral.

Standard Funeral Plan (Cyprus) does not include repatriation or transportation back into the UK, Spain, Portugal, and Cyprus after your death. In the case of a dual residency should you wish for your funeral to take place in an alternative covered destination your representative will need to make their own arrangements to repatriate your body to the chosen destination.

If you move to one of the covered countries (UK, Spain, or Portugal) contact us so that we can issue you with a Certificate with your new address and appoint a Funeral Director in that country.

Under the provision of dual certification, should the Avalon Standard Plan (Cyprus) Funeral Plan be enacted in the UK, the plan will provide benefits equivalent the Standard Plan (UK).

If you move to a country where we don't operate outside of the UK, Spain, Portugal, and Cyprus, or we can't find a Funeral Director in the area you've moved to, the funeral plan will not be available in that country and we will cancel your plan and refund the monies paid, less any applicable fees.

You can choose to change your Avalon Funeral Plan for an alternative plan from the Avalon range that you feel would be more suitable for you.

### 8.1 Upgrade your plan

If you choose to upgrade from the Avalon Standard Plan (Cyprus) you may have to make an additional payment or change the value of your monthly instalment payments to fulfil any difference in the total plan cost of the new plan. We will advise you of this cost should you decide to upgrade your plan. You can either pay for the upgrade by direct bank transfer, or by debit or credit card. Or you can amend your instalments to take account of the change.

If you want to pay over a longer period than 18 months, you will need to change to instalments over the term of your plan. See the 'How Do I Pay?' section in the Avalon Funeral Plan Generic Terms & Conditions for UK plans.

### 8.2 Changing the payment term
