What happens if I miss a payment?

It is important that you contact us as soon as you encounter difficulties with the instalment payments. We understand that sometimes a payment could be inadvertently missed and to accommodate this occurrence we will allow you to miss a monthly payment without losing the full benefits of the plan. If you miss any instalment payment, we will write to you advising you that your payments have not been made. We will cancel your plan if you miss the equivalent of 2 consecutive monthly payments or 5 non-consecutive payments over a rolling 12 months, and do not rectify the missing payments within 10 working days of us requesting the payment. If you elect to discontinue with your instalment payments or we cannot contact you to rectify the issue, we will cancel your plan and return the monies paid less any applicable fees. Full details can be found in the Generic Terms and Conditions.

Information concerning potential funeral plan provider failure

In the unlikely event of failure of Avalon there will be a reasonable likelihood that your funeral plan contract will be transferred to and continue to be carried out by another regulated funeral plan provider but that could potentially incur extra costs to you.

In the event that the relevant funeral plan contract will not continue to be carried out by us or another firm then you will receive a payment corresponding to your balance, but this may not be the full amount you've paid in.
